INTRODUCTION

1. (S/NF/SK) TASKING: (See ~~was~~ same as CRV session #1 & SRV sessions).

2. (S/NF/SK) SESSION: Same encrypted coordinates as CRV session #1.
Proceeded per SOP.

3. (S/NF/SK) SUMMARY: Site involves a group of people, males and females, who ~~are running in various directions~~ are observing an occurrence at a distance. People are taken aback ^{at the} "unexpectedly expected" - either as a result of premature occurrence of event, or unanticipated scope of results. Military is interested in project to see if useful applications exist, but civilian representation and control is extensive. Occurrence involves a large area above ground and creates a brilliant, intense, pure light and light colors. Physical sensation of something, neither solid nor liquid, resting just above the ground.
